## Four Leveldale Herd Sires

### SHEIK OF LEVELDALE

*Whether there ever has been a more pleasing show bull and sire produced in America is debatable. Sheik had what it took to defeat all bulls on the circuit in 1939; and he has what it takes to sire the grandest calves ever seen at Leveldale. Sired by the great Goldspur's Baronet 2d and out of the famous Taana Rosewood 4th, he is tops in bloodlines as well as individuality. He heads the quartette of champions now in service at Leveldale and his get are featured in this sale.*

### LEVELDALE FORAY

*One of the most promising sires used at Leveldale is this excellent son of Leveldale Commodor by Goldspur's Baronet 2d. He finished an enviable Sr. Yearling record by winning the 1941 International senior championship. A few resultant calves from his earlier matings are proof of his ability as a prepotent sire.*

### DREADNAUGHT LUSTROUS

*The champion son of Goldspur's Baronet 2d and Ruby 47th by Leveldale Dreadnaught, this excellent show bull and sire has made his mark at Leveldale where he still is in service.*

### GAINFORD MARSHALL

*(Left) This marvelous bull has the extraordinary record of having completed the 1937 show season undefeated, winning grand champion honors everywhere. He is a grandson of the great Ballylin Rodney and Prentice, and is the only complete outcross used at Leveldale where he still continues to sire outstanding progeny.*

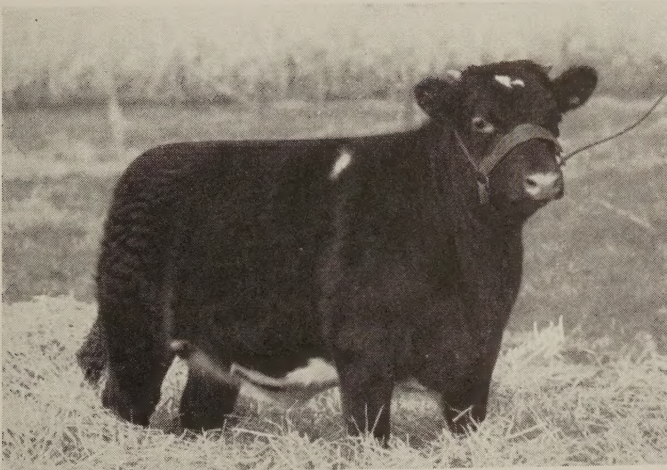

*A Grand Example of the Quality of Shorthorns  
Produced at Leveldale*

**SHEIK'S JUBILEE**

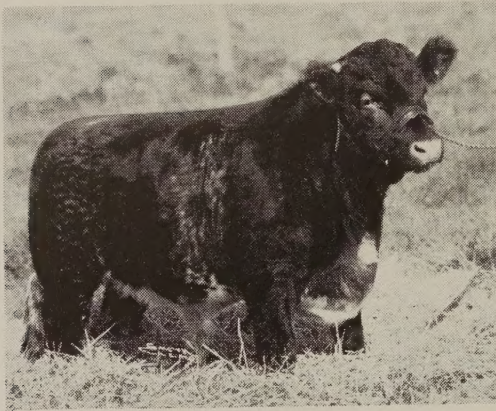

*This great son of Sheik of Leveldale and Calara Augusta 3d by Dreadnaught Jubilee climaxed a wonderful career as a consistent prizewinner by winning grand champion honors at the 1941 American Royal and at Houston. The latter honor went to his new owner, A. P. George, Richmond, Texas, who purchased the bull at Leveldale's 1941 auction for \$4,125, the sale's top price.*

**LEVELDALE  
MISSIE 13th**

*The first calf sired by Sheik's Jubilee. One of the best females ever produced on this farm. The younger calves produced by Jubilee show great promise. Sheik bulls breed on.*

*Weight for Age has always been a  
Desirable Characteristic of Shorthorns*

**LEVELDALE SYMBOL**

This sensational calf was purchased at our 1941 sale by Prof. D. J. Kays for the College of Agriculture, Ohio State University at nine months of age for \$2050.

Columbus, October 23, 1942.

Mr. Leslie Mathers,  
Mathers Brothers,  
Mason City, Illinois.

My dear Les:

You may be interested in this growth report of the bull, LEVELDALE SYMBOL, purchased by Ohio State University at your last sale in 1941. There are those among the critics of this bull who say that he's getting too big. I am not sure that I know what they mean.

Always I have believed that the farmers who own beef herds of grade and purebred cows should be interested in bulls, the use of which in their herds guarantees a crop of calves that will grow rapidly on farm grown feeds.

If the Shorthorn brethren are going to set up as their ideal the "watch charm" type of Shorthorn, I believe that Shorthorns will quickly lose two of the virtues that have made them famous as beef cattle. I refer to their milking prowess and to their ability to grow rapidly on farm grown feeds.

But I started in to tell you about LEVELDALE SYMBOL. On December 20, 1941, when we got him home from the International, he weighed 810 pounds. On September 20, 1942, he weighed 1455 pounds. This weight does not include a lot of outside dead fat. He is one of the greatest eaters and one of the best doers we have ever had in our barn. He is additional proof that Shorthorns will change feed into beef rapidly, if their owners will put the feed where the cattle can get it.

Sincerely,

D. J. Kays, Chairman.

## LEVELDALE ROSARIO

A great show bull and a great prospect for a sire, he has inherited the ability to breed on. We kept this bull back to head our aged herd in 1942. After a successful season in 1941, where he won his class often and was a member of the winning two- and three-bull groups throughout the season.

A bull brother, Leveldale Advent, heads the herd of Benroth & Griffin. A full sister is a headliner in this sale. His dam from one of our best families is admired by all who see her. He will make the herd he serves famous.

SEQUEL**

Study this bull and his pedigree. He was selected at birth for one of our herd bulls. An accident to Leveldale Generator a few days ago caused us to change plans. We are now going to sell Sequel and use Generator whose injury would cause him to sell at half price.

Leveldale Rosewood, 5th, his dam — shown with her Grand Champion Mother before she was 24 hours' old — went on to win numerous Junior Championships the following year and several Grand Championships the next. With such concentrated power for reproduction as his sire and dam have shown and such other illustrious ancestors, he cannot fail as a sire.

## LEVELDALE RESOLUTE

As thick and as smooth as they come — why? He is bred that way. His sire at 6 years is as smooth as a calf. His dam is just as smooth at 8 years. His full brother, Leveldale Manifest, a winner at the American Royal and International, 1940, is still smooth and siring great calves in the herd of Thorp Metz, Williamsville, Ill., who purchased him in a 1940 sale at the top price of \$1,700. We have been using this bull on some of our best cows.

This photo of Leveldale Resolute was made last Spring. He has developed very well since.

Great head—extra width in back and quarters—a typical SHEIK bull. His breeding is of the best. His dam is sired by Leveldale Revenue, a full brother to Leveldale Rosewood. She produced Augusta Queen 15th, who was sold in last year's sale at \$1175 to Husted Bros., and has a show heifer this year by Foray. She also is a daughter of the great old show and breeding cow, Augusta Queen 8th, the dam of Leveldale Reveler. On down the pedigree are many great bulls. He will be a sire.

## LEVELDALE SENTINEL

Small type, compact, extremely short coupled, thick and smooth from a good producing cow. Her sire, Divide Dale Archer, was top selling bull in the International Sale in 1932. Edgcote Champion was the best son of the great Edgcote Toft. If you have a little too much scale in your cow herd and want to bring your calves closer to the ground, study this bull.

## LEVELDALE RADIANT

Deep red, good head, thick, smooth, short legs, straight top, level rump, full quarters, fills the description of bulls asked for in mail bids. First, of course, his sire is that way, and breeds them that way. Then his great old mother (calved in Feb., 1927) is short legged, short coupled, heavy boned, straight and smooth.

A full brother to Leveldale Radiant heads the herd of R. C. Bolger, another that of L. A. Strother & Son. A half sister went to Eli Lilly in 1937 at \$850.00. Herd bulls with as much to recommend them are rare.

This picture was made last spring. This bull has developed very well since it was made.

tional Grand

**LEVELDALE  
SUCCESSOR**

An inbred sire—his dam, the great old cow, Taana Rosewood 4th, is the only cow to produce two International Grand Champions. She was calved in March, 1929, is still breeding and is still a good looking cow. Her daughters and grand-daughters are a sizeable herd. Her bulls have been great breeders. Her daughter, Leveldale Rosewood 12th, topped the females last year at \$1900 going to Russell Kelce of Merryvale Farm.

This bull has all the ear marks and vigor of a real sire. Head, neck, back, quarters, heart girth, and bone, combined in such a way as to spell character. Do some serious thinking about this one. He will make some herd famous.

## LEVELDALE HIGHLIGHT

Level, smooth, short legs, beautiful head. He has lots of "flash" and is the kind you like better as you look him over. It would be hard to find a bull with five better top sires. His dam, a short-legged heavy-milking daughter of SHEIK, is worthy of such a son.

## *A Few of Leveldale's Famous Females*

### **LEVELDALE ROSEWOOD**

(Above) International grand champion and the greatest prize-winning female of the breed. Beginning as a calf, in 1934, when she was International grand champion, she campaigned three consecutive seasons with but one defeat in class. Her peerless career netted 29 Firsts, 7 Junior Championships, 4 Senior Championships, and 14 Grand Awards. A perusal of this catalog will prove the worth of a great breeding female. No one can accurately predict the value of a great female.

### **LEVELDALE BRIDE 2d**

This excellent daughter of Leveldale Dreadnaught made her show-ring debut in 1932 as a calf. Winning consistently for four consecutive seasons, she finished in 1935 by topping the Aged Cow class seven times out of nine shows. She was First in both the Royal and International. Her dam was a great show cow. Her son, Leveldale Foray, has inherited the right to be a great sire.

### **FIVE MORE GRAND LEVELDALE COWS**

Divide Patience 51st, with Leveldale Rosewood 10th, Leveldale Rosewood 11th, Augusta Favorite 3d, Leveldale Blossom 9th. Five classes, five first prizes, Senior, Junior, and Grand Champion Females at Ft. Worth, 1942.

Leveldale Blossom 9th is a feature of this sale. The others are now part of the breeding herd of great females at Leveldale.

**LEVELDALE  
BLOSSOM 9th**

A show heifer, 1st in class at Ft. Worth last spring, while a short-aged Junior — very thick, very short legs — from a great family that topped our sales in 1936 and 1937. This heifer comes out of our selections for the breeding herd and will improve the average of any herd to which she goes.

Leveldale Bride 4th dropped a full sister to this heifer this summer or Bride 12th would have been retained in the herd. Good enough for anyone.

A product of two grand Champions — a full sister to two Champions — Leveldale Rosewood 5th and 10th. We feel that we can part with this heifer as she should bring a big price and we have a small herd of females very closely related to her.

She is good — she is bred right — she will prove profitable.

(Left) — Leveldale Rosewood 10th, twice a winner at International Live Stock Show before she was two years old. Another full sister, Leveldale Rosewood 5th, was Junior Champion at San Francisco World's Fair and International Winner in 1939 and in numerous other contests. 65th DUCHESS  
OF GLOSTER

This is a foundation female for the most critical buyer. Type, quality and profit has been the way to describe the daughters, granddaughters, sons and grandsons of 50th Duchess of Gloster. 17 years old and still breeding. She has always been one of the best cows in our herd, and her calves have bred on. Her 1941 calf, a full sister, went to D. H. Clark, Douglas, Kansas at \$750.00. This heifer is one of my favorites.

## *A Great Daughter of A Grand Old Cow*

**BRAWITH BOY OF SUNSET**  
**For Reference Only**

The most talked of bull in America today. His grandsire was twice Scottish Highland Grand Champion — the only bull with such a record ever brought to the United States. His grandsire, on his mother's side, was International Grand Champion. His father was first in his class at the International. Brawith Boy of Sunset and his get have won 250 awards in the past 3 years.

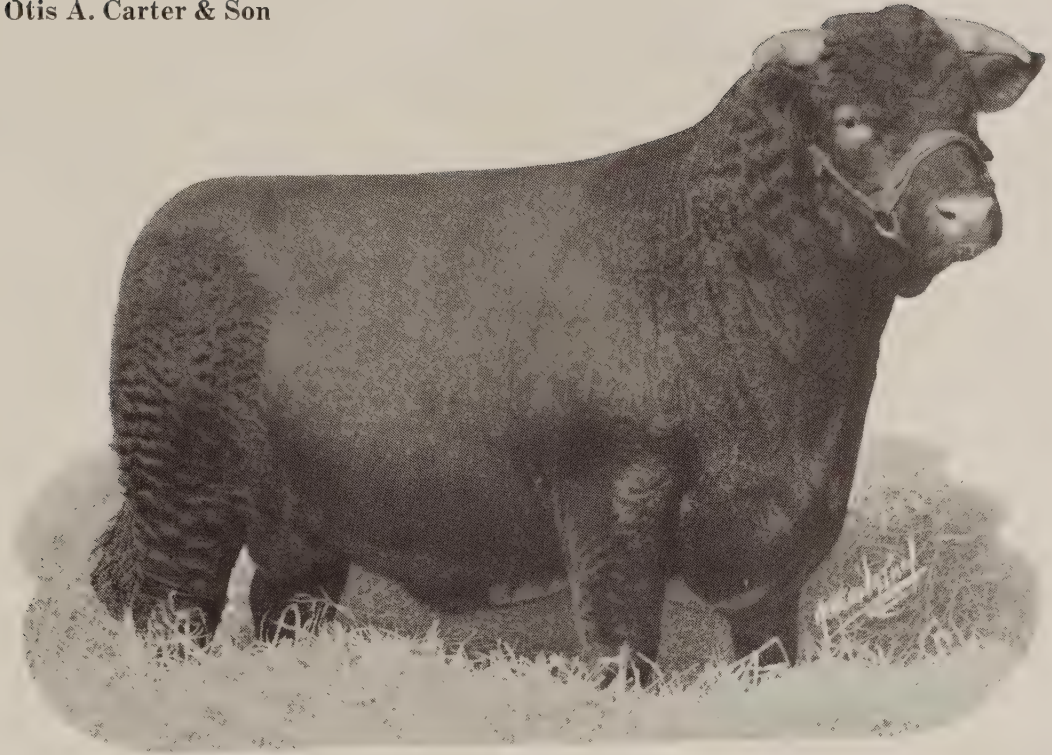

Although only four years old he already has had 57 calves, and 40 more cows have been bred to him. He is just in his prime.

Brawith Boy of Sunset's "Get of Sire" was undefeated this year. This record alone would make anyone proud of him. Look at the 10 bulls and 10 females in this sale that he sired. They are the lowest set calves in the country and I sincerely believe they will make history for their new owners.

Pictured below are just a few of the blocky, thick calves in this season's crop by Brawith Boy of Sunset. Many of them will be sold in this sale. Notice their uniformity in size and color.

**BRAEDOON ARISTOCRAT**  
For Reference Only

Here is the Carter Junior Herd Bull — a son of the greatest breeding bull in Canada today — **COLLYNIE ROYAL BARRAGE**.

In Jimmie Russell's sale this October all five of **COLLYNIE ROYAL BARRAGE'S** sons sold for an average of \$2,160.00 each, and three heifers by the same bull sold for an average of \$1,516.67 each. One son of this famous bull — to which **BRAEDOON ARISTOCRAT** is a half-brother — sold at private treaty to Marellbar Farms for \$8,500.00, a new top price for a herd bull. Now we have three calves from **BRAEDOON** and I wish you could see them. Two are dark red heifers, and the other a dark red bull. If all the others look as nice as these three we will have another grand breeding bull at Sunset Farms. Six of the females in this sale carry the services of this fine young bull.

---

The Otis A. Carter & Son herd, located at Eldorado, Illinois has reached prominence through the mating of top females with the great sire **BRAWITH BOY OF SUNSET**, a grandson of the noted Highland champion Imp. Brawith Boy. Through the further use of **BRAEDOON ARISTOCRAT**, one of the best sons of the great Imp. Collynie Royal Barrage, this herd is sure to gain even greater recognition. Although this is the first draft of cattle from **SUNSET FARMS** to be offered at auction, buyers at this sale are sure to be impressed by the remarkable thickness and blockiness of the cattle that are to be sold. All ten of the bulls are sons of Brawith Boy of Sunset and all are either reds or rich dark roans. Moreover, all of them display that same compactness and thickness that has made their sire so famous. Ten beautiful heifers by this same great sire are also to be sold.

Otis A. Carter & Son

*Brawith Boy of Sunset says: "This young fellow is the pride of my life. I expect him to carry on the noble traditions of our family and to be a credit to us all."*

### SUNSET GOLDEN RING

This is the bull of the year — and I mean just that. His dark roan mother is by far the best breeder we have. To prove this, her daughter, who is a full sister of this bull, sold at the International last year to Mr. A. P. George of Texas for \$1000.00. I am retaining a full sister that stood second as a Junior calf last year at the International. That is why I call this bull's dam my best breeder. I want you to look this bull over from head to foot, from end to end, and see if you can find any room for improvement. Hal Longley just had a fit over him and said whoever gets this bull will have a cracker-jack. He is so smooth and well fleshed that I believe him to be the best bull of the year regardless of what he brings.

**BRAWWITH BOY'S ARCHER**

A dark, even colored roan bull that looks as much like his dad when he was that age as if they were identical twins.

I want to reserve the right to show this bull at Denver, Colorado in January. I will insure him against accident and death, and will deliver him at the end of that show or ship him any time after the Denver show that you want him. I want this bull to get every possible chance. If he proves to be as good a breeder as his dad, you will have a \$25,000.00 sire. Don't let anyone kid you about this either because \$25,000.00 couldn't buy his dad today, and if he lives two or three years longer what a herd of cattle he will leave — a herd that will not be forgotten for generations to come. I now have 57 calves from BRAWWITH BOY OF SUNSET, and not a single bad one! You can mark that down in your "day book."

**BRAWITH BOY'S BUGLER**

*Brawith Boy of Sunset says: "Take a good look at this boy! Can't you see the Brawith features all over him? I expect a fine future from this lad."*

This young bull needs no introduction. His pedigree and general conformation tell the complete story.

He is dark red, from a dark red Myrtle cow, that is the best bull breeding cow we have. He has a good head, short neck, smooth flesh, and a perfect tail setting. He is one of the undefeated "Get of Sire" which appears on the September 25 "Shorthorn World" cover page. What a bull!

## SUNSET BRILLIANT

Here is an even, dark roan bull with plenty of character. Look at his fine Augusta pedigree, then look at the four top bulls and you will surely want this one for your herd. There are lots of things about this bull you will like. He has one of the best heads and necks you have ever seen. He also has very short legs, a good top and bottom, plenty of flesh, and is a bull you can't help admiring. His mother is dark red, a good milker, and the kind you would want your herd bull to come from.

SUNSET RESOLUTION

This young bull stood second in Minnesota and third in Wisconsin this year. Believe me he is a bull that everyone will admire. Ralph Reynolds judged his class in Minnesota and said, "Carter, this bull has a great future." I agree with Ralph 100%. SUNSET RESOLUTION'S grandsire on his mother's side, was a dark red, imported bull. His mother is red, and he is as red as any bull you have ever seen.

### SUNSET SENSATION 3d

Do you want a solid red bull for your next herd sire? If you do, buy this one.

More than one breeder would like to own this bull and I'm sorry I haven't more just like him. He comes from a family that produces top bulls that will carry on. He is a grandson, on his mother's side, of old DIVIDE SENSATION, who was twice International Grand Champion, and boy, what a sire he should make!

This is the bull I wanted to keep for a Junior show bull next year, but Glen said that while he is tops, we couldn't keep them all and we'd have to give someone else a chance to get a good show bull. I don't hesitate to recommend this bull to any breeder. Regardless of what you have to pay for him, my tip is, "Buy him"!

This bull is a full brother of Sunset Duchess 2d, who is also in this sale. So look at the heifer's picture and then his and you can tell what you are getting in this young bull. He is dark red, from a dark red cow that is considered the best milker on our farms. He is low, heavy set, has good tail setting, good quarters, and in fact is good all over. While he is the youngest bull in the sale, he is one of the good ones.

SUNSET LOVELY BELLE 5th

Another of BRAWITH BOY OF SUNSET'S "Get of Sire" babies, which was undefeated this year. I consider her tops in any sale. She is dark red, low down, and has a perfect head and neck. She is deep bodied and as smooth as silk. She will get in any show ring and make them like her. This picture was taken in March when she was quite young, yet it is not deceiving, as she is even more beautiful today than she was then. Mac, my office Manager, picks this one as his favorite. He says she is the classiest female in the lot, and has plenty of "oomph."

*Brawith Boy of Sunset says: "What a prize this girl will be for some good owner. She has class that will make other heifers turn green with envy."*

### SUNSET GRAND DUCHESS 4th

She is such a dark roan that you could call her red. This girl is my assistant herdsman's favorite. He even goes so far as to say that she will top the sale. (I hope he is right). I will say this for his selection, she is a beautiful heifer and she will make someone proud when the auctioneer says "SOLD." Look at her pedigree and you too may agree with my assistant herdsman.

### ORANGE MAID OF SUNSET

This is the favorite of Glen (my chief herdsman). He tells me that he would rather have this dark red heifer than any other in the sale. I admire Glen's frankness, even though he seldom makes a statement of this sort, but when he does, no one can change his opinion. I want you to inspect this girl on the sale day — you may agree with Glen.
